Certified Teachers

1

At the Casco School we have a truly unique approach to the arts. Through strategic partners we are able to utilize the skills of professional artists right here in our neighbourhood. Each week our children have art classes with the Olga Sinclair Foundation. These classes are included in our weekly program and give our students the chance to learn new skills from professional and experienced teachers.

Class Features

[Art with The Olga Sinclair Foundation](#) —

Through our weekly lessons with art teachers from the foundation we explore art history, mediums, develop skills and utilize our internal creativity. Each month we study a new artist and their style, technique and medium.
